CLASS HISTORY

In the fall of 1944, about 45 of us frightened freshmen took our place in Leo High School – after looking a while to find where our places were. Presently, we knew our way around as well as the seniors. The class sponsors were Mrs. Henning and Mr. Pletcher. Under their supervision the class organized and elected the following officers: President, Paul Sommers; Vice President, Betty Henderson; Secretary, Reynold King; Treasurer, Donna Pletcher. The class party for that year was a rip-roaring hay ride and afterwards a wiener roast at Richard Yager's home.

In the Sophomore year, the members of our class acted like old veterans. We even poked fun at the freshmen. The officers soon elected were: Pres., Betty Henderson; V. Pres., Keith Wertman: Secy., Bob Springer; Treas., Edwin Zim-merman. The sponsors, Mrs. Henning and Mr. Garman, had their hands full try-ing to get the class to decide when and where to have a party. We finally had a swell time in the gym.

The Junior year of the class we had fun getting rings, having a skating party, a scrap drive, and ordering class sweaters. There was a hay ride around the country side and a wiener roast at Cedarville Park. The Junior-Senior Reception was held at the Moose Lodge, April 24th. We were furnished with dinner music by Mr. West's orchestra. "Mysterious Brown", the magician from Angola, entertained us royally following the dinner. The sponsor was Miss Small. The officers were: Pres., Grove Hamilton, V. Pres., Bob Springer; Secy., Phyllis Neuenschwander; Treas., Marie Reed.

We Seniors started this year with 31 members in the class. Of course, we were determined to do big things. The first big event was the class play, "Pleased Ta Meetcha". It really was a success. We sold out the first two nights, so we gave it a third night. A few days before Christmas we had a Christmas dinner in the school cafeteria.....chicken with all the trimmings. We lost 2 members during this year, Peggy Hefty and Bud Ogg. This left 29 of us to graduate. Our class officers were: Pres., Meredith Sauder; V. Pres., Keith Wertman; Secy., Phyllis Neuenschwander; Treas., Marie Reed. Mrs. West, who was Miss Small, remained our sponsor. We had our skating party and scrap drive, and the money from both certainly helped toward our trip. Our class went to Chicago for 3 days. We really did enjoy every minute of it. Now as we are nearing the end of our high school career, we become more serious. As we look back over our 4 years at Leo High School, we carry fond memories and life-long friends. We have chosen gray caps and gowns, our flower.....yellow rose, colors.....gray and yellow..... And our motto: "Ready to Accomplish." As young men and women of the world we hope to accomplish those things in life most worth-while.

Dear Gordon,

Thank you for the Jan. 31, 2001 letter announcing our class reunion date and location for this year. We have tried to adjust our schedules, butI am forced to miss this Thursday reunion due to work schedules and lack of vacation days, as I continue with full time employment.

My wife, June, is competing again this summer in the Senior Olympics representating the state of Tennessee in Baton Rouge, LA. Our next travel commitments take us to Florida, then to New Zealand which should complete the year and keep us challenged for personal time.

Please extend my regards to those who attend the luncheon and wish you all well. I would appreciate being informed of the next gathering so we may plan to attend.

Sincerely,

Reynold King

Thanks for informing me of the Class Reunion August 23. Due to the wedding of our grandson in September who is from Illinois, it will not be possible to make another trip to Indiana in August.

Please give my regards to everyone. If there is any written update following the reunion, I would like to receive a copy. I will be happy to pay for any charge of the same.

Did anyone ever make copies of the group pictures taken at our 50th? If so, I would like to get a copy.

Hope you have a great time on the 23rd!

My last year at school was spent at Garrett High School, so I missed all your Senior year memories, but had some of my own, of course. My folks had moved to a farm south of Garrett and because they finally had the bus system working and provided a way to get to Garrett to school it was necessary for me to make that change. Until that time all who lived in our area went wherever they wanted to go…..Leo, Huntertown, Garrett, Spencerville. So I missed my senior year at Leo.

Warren and I were married in May of 1950 and rented an old farm house from his grandmother for $20 a month. Had electricity, but that was about all…..a pump outside and a path. But it was wonderful!! In 1952 my husband started a TV sales and repair business in Avilla and we were there until 1963. All the kids grew and started school at Avilla. We sold the business and he started working at Magnavox and was consumer affairs manager there. Had a 2-year "vacation" (for me and the kids anyway) at an old farmhouse outside Laotto. We had a ball. Had 3 barns and other buildings and 32 cats! Oh yes, and a pony!

We built a home the summer of 1965 on the Auburn Road where the children went to Huntertown and to Carroll for their schooling. Then about 1978 we built another, and that is where I live now. We have two sons and two daughters. One daughter lives in Montana and has a small ranch there. The rest are close to home. 12 grandchildren, several of which are active in sports keeping this "old grandma" very busy. And one little year-old great grandson.

After school I worked at Brotherhood Mutual Insurance Company until my family started coming along. Later in life I went to work at the Singer Company as a saleslady of sewing machines. Really enjoyed the fabrics best. Eventually Singer went with JoAnn Fabrics and then I worked for them for a good many years. Retired in 1994.

Warren played softball until he got involved with building our homes and we both did a lot of bowling, as did our sons.

In 1974 we dedicated our lives to the Lord Jesus and from then on spent a lot of time in church -related activities. He changed our lives around and has really blessed us in so many ways.

In the year 2000 Warren went to be with Jesus in April, just 10 days after his 71st birthday. It was sudden and unexpected. He had not been ill.

My father has just passed away about 3 days before my husband. He was 93. My mother is still living if any of you should remember her and she is 94 ½ and still moving!

I have a lot of happy memories of things at Leo High. It was a good place to be. Do you ever remember sometimes going up town to buy your lunch?? And the sloppies and baked beans that they fed us in the lunch room?? Somehow they always tasted better than when I made them at home…….oh yes, and the mashed potatoes with hamburger gravy. Maybe we were just hungry!! And the basketball teams we had. We were so lucky to have gone to school when Leo had some of it's best!

Letter from Vada Strong Carper

Sorry I will not be able to attend the reunion. My husband has a part-time job and his hours are afternoons. Due to my health I only drive locally. I have heart problems and have been under a doctor's care since 1982.

John and I were married on November 27, 1948. The picture enclosed was taken at our 50th anniversary party that our children gave us; at which time we renewed our vows.

In July of 1954 we purchased a house in Waterloo where we still live. John had a TV shop at our residence that I helped run, along with raising our family. Later he went into lawn mower and small engine repair business.

I was kept busy raising three boys and two girls and helping with the business. Didn't work outside of the home until I went to work at DeKalb High School Cafeteria in 1970. I have since worked at Sears in Auburn and Kendallville, Betz's Nursing Home and Sutton Super Value, until my heart problems made me retire.

We have had three deaths in our family. In July of 1981 our son-in-law was killed on a motorcycle. In November of 1991 our grandson was killed in a house fire and in January of 1996 our son was killed in an auto accident.

Our grandchildren range in age from 6 years old to 31 years old and live in Butler, Auburn, Kendallville, Avilla, and St. Joe. The great grandchildren range in age from 4 months to 12 years old. One lives in Florida and another one lives in Germany and another in Elkhart, IN.

As far as school memories.....they are few. I remember singing in one of the school plays but can't remember the play or the song.

Remember the tornado that hit the spring of 1948. I was in study hall in the library and Miss Schrader was the teacher in charge.

Remember the time the class heckled Miss Boger till she went to the office and told Mr. Steiner. We all got a good lecture over it.

Enjoyed Miss Small's class but can't remember much about the other teachers.

Wish you all a very nice reunion and would enjoy receiving information on my class mates.

Sincerely. Vada

Dear Gordon,

Thank you for your letter of July 10 regarding the upcoming class reunion. I had really hoped to be able to come, but my schedule is not going to permit me to see you all again this year.

It was so good to see all of those who were there in 1998. Of the three high schools I attended, my favorite memories are of the year and three months at Leo. Also, the greatest honor paid me in high school and one of the greatest honors ever paid me was when my classmates elected me president of the class in our junior year.

I always had good intentions about getting in touch with those classmates but never got around to until very much later than I should have. I think it was Mark Twain who said that the road to hell is paved with good intentions. So, I don't have an excuse, just regrets.

I think the only classmate I ever saw after I left Leo was Carol Fogwell when we reunited at Huntington College.

At any rate, I'm sorry to have to pass up the chance to get back to see you all again.

Please convey my regrets and kindest regards to all who attend. Please keep me in mind if there are ever plans to get together again. I'd like to have the chance to try again.

Sincerely,

Jim

Dear Betty,

Many thanks for sending the booklet of our school class. Please find enclosed a check hopefully to help cover the costs in making and sending it.

I was amazed to see six members deceased. I knew of Monty Oggs death and later Keiths. Think they both had cancer. The other four I can only wonder about the cause of their deaths.

I had a very nice visit with Barbara Lantz at the last reunion.

Ed and I both had sisters to die in July 2001. One of the reasons we did not make it this year. We made a home for a 49 year old retarded nephew of Ed from 7/1/2001 to 8/16/2001. while his mother had house repair done.

Then on 8/19/2001 our
